

HELD UP PASSENGER TRAIN.

Lone Robber Secures Cash and Other Valuables.

Kansas City, Nov. 10.—A lone robber, heavily masked, boarded the rear sleeper of the eastbound combination Chicago and Alton train No. 44, between Slater and Glasgow, Mo., shortly after midnight, Thursday night, robbed the passengers of a sum placed between one hundred and five hundred dollars and escaped in the darkness.

The train left Kansas City at 9 o'clock and was due to arrive in Chicago at 8 o'clock Friday morning. The robber, who is described as being tall and wearing a black overcoat, boarded the rear sleeper at Slater. When the train had gotten well under way, he entered the sleeper, an observation car, bound through from San Francisco. He captured the conductor and porter and at the point of a revolver compelled them to proceed ahead of him and wake up the passengers. The sleeper was well filled. As his demands were carried out, the robber, keeping the conductor and porter ahead of him, systematically relieved the passengers of money, watches, and jewelry. When he had made his way through to the front end of the car he started for the second Pullman. Before the robber could enter the second car, the porter slammed the door in his face. The train then was at a point about one mile east of Glasgow. Realizing that he could proceed no further with his work, the robber pulled the air rope.

While the train was slackening its speed he jumped off and disappeared in the darkness.

Early this morning officers were started out from Glasgow, Slater and Kansas City to trace the robber.

The territory in which he worked is thickly settled and it will be difficult for him to make his escape.

In Time of Peace.

In the first months of the Russia-Japan war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history and given to us our greatest men. The individual as well as the nation should be prepared for any emergency. Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cure of colds and it should be kept at hand ready for instant use. For sale by all druggists.

Samuel Kitson, Sculptor, Dead.

New York, Nov. 10.—Samuel J. Kitson, the sculptor, who had studios in New York and Boston, died at 1 o'clock Friday morning. Kidney disease was the cause of his death. Mr. Kitson was born in England 58 years ago. He was the principal sculptor of the interior work of the house of W. K. Vanderbilt in this city. His other works include the Sheridan monument, at Arlington, Va., North Frieze Soldiers and Sailors' monument arch at Hartford, Conn., and many others.

Made Happy For Life.

Great happiness came into the home of S. C. Blair, school superintendent at St. Albans, W. Va., when his little daughter was restored from the dreadful complaint he names. He says: "My little daughter had St. Vitus' dance, which yielded to no treatment but grew steadily worse, until as a last resort we tried Electric Bitters, and I rejoice to say, three bottles effected a complete cure." Quick, sure cure for nervous complaints, general debility, female weaknesses, impoverished blood and malaria. Guaranteed by all drug stores. Price, 50c.

Miners Receive Wage Increase.

Bisbee, Ariz., Nov. 10.—All miners employed by mining companies at Bisbee and Tombstone, have received notice of a raise in wages to date from Nov. 1. The scale has been advanced 25 cents a day all round. Miners now receive \$3.75 a day, shaft men \$4.25 and first motion hoisting engineers \$5.25. The new scale means the payment of half a million dollars more each year by mining companies.

Had a Close Call.

"A dangerous surgical operation involving the removal of a malignant ulcer as large as my hand from my daughter's hip, was prevented by the application of Hocklen's Arnica Salve," says A. C. Skelton of Miletus, W. Va. "Persistent use of the salve completely cured it." Cures cuts, burns and injuries. 25c at all druggists."

Dairy and Food Commission's Report.

The Minnesota Dairy and Food Commission's analysis shows that Kennedy's Laxative Honey and Tar and Bee's Laxative Honey and Tar contained opiates and croton oil. Opiates are poisons and croton oil is a violent purgative. Refuse to accept any but Foley's Honey and Tar in a yellow package. Foley's Honey and Tar contains no opiates or dangerous drugs and is the best cough and cold cure. J. W. McCollum & Co.

Destroy Famous Cottage.

New York, Nov. 10.—The little thatched cottage at East Hampton, L. I., in which John Howard Payne, author of "Home, Sweet Home," lived in his early years, and which, when he was a wanderer on the face of the globe inspired his immortal ballad, is to be destroyed. There is No Reason

Why your baby should be thin, and fretful during the night. Worms are the cause of thin, sickly babies. It is natural that a healthy baby should be fat and sleep well. If your baby does not retain its food, don't experiment with colic cures and other medicine, but try a bottle of White's Cream Vermifuge, and you will soon see your baby have color and laugh as it should. Sold by W. M. Johnson.
